**ADMINISTRATIVE LAW JUDGE'S RULING
APPROVING ADDENDUM TO MODIFIED PROTECTIVE ORDER**

This ruling approves the text of an Addendum to the Modified Protective Order that I approved by ruling dated November 24, 2003. The purpose of the Addendum is to allow Respondents who receive Protected Materials from other Respondents and/or their affiliates and holding companies in this case to respond to questions about the materials already in possession of the California Attorney General's office without violating their obligations under Modified Protective Order to keep the materials confidential.

I agree that the Respondents should be allowed to respond to questions by the California Attorney General's office without facing the risk of violating the Modified Protective Order in place in this proceeding. No party has objected to the Addendum.

Therefore, **IT IS RULED** that:

1. The following language shall be added to paragraph 11 of the Modified Protective Order:

Reviewing Representatives of Respondents may also confidentially discuss Protected Materials in their possession that have been produced by any Respondents and/or their affiliates and holding companies with authorized representatives of the California Attorney General's Office who possess the same Protected Materials.

2. Redlined and clean copies of the changed pages of the Modified Protective Order appear as Appendices A and B to this ruling, respectively.

Dated December 15, 2003, at San Francisco, California.
